And then clicking login button. Welcome Page is opened:

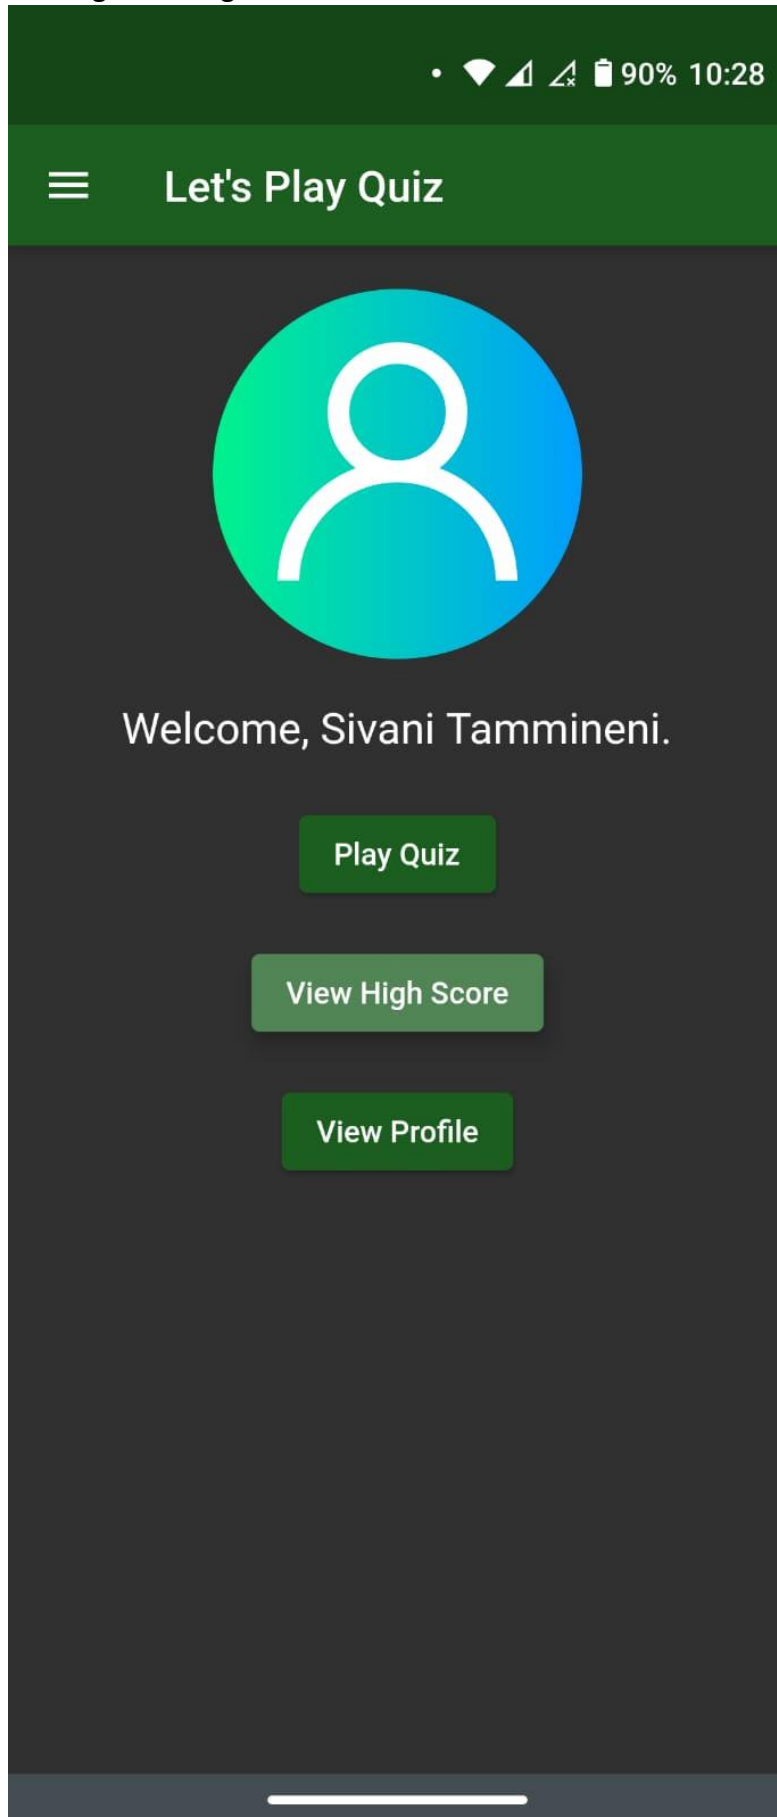

Clicking 'View Profile' button:

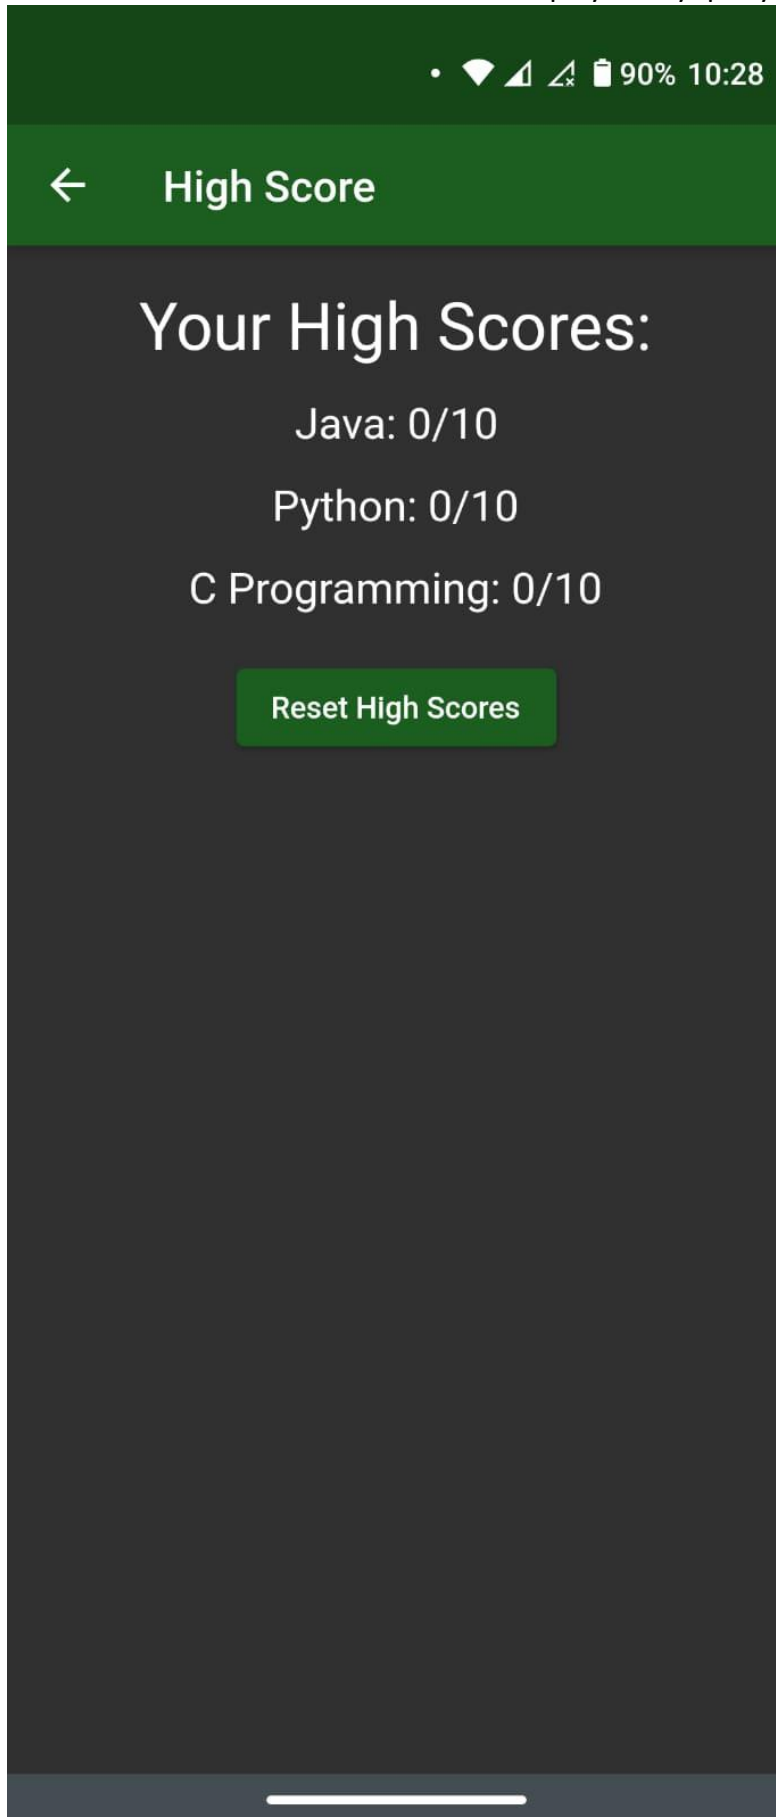

Your details are shown.

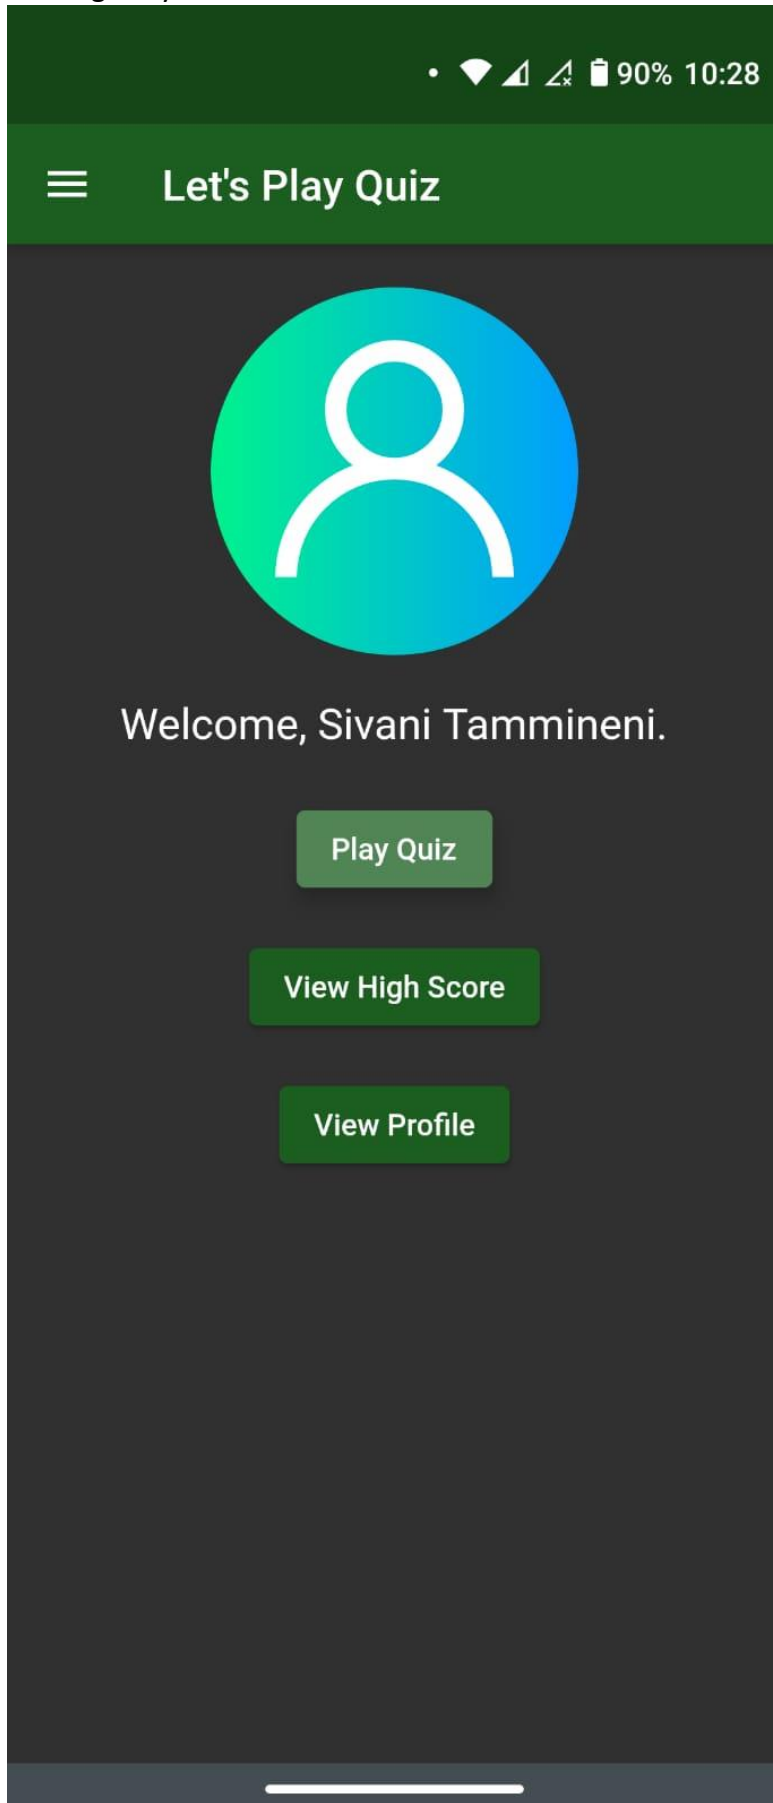

Clicking 'View High Score' button:

All scores are zero because user have not played any quiz yet.

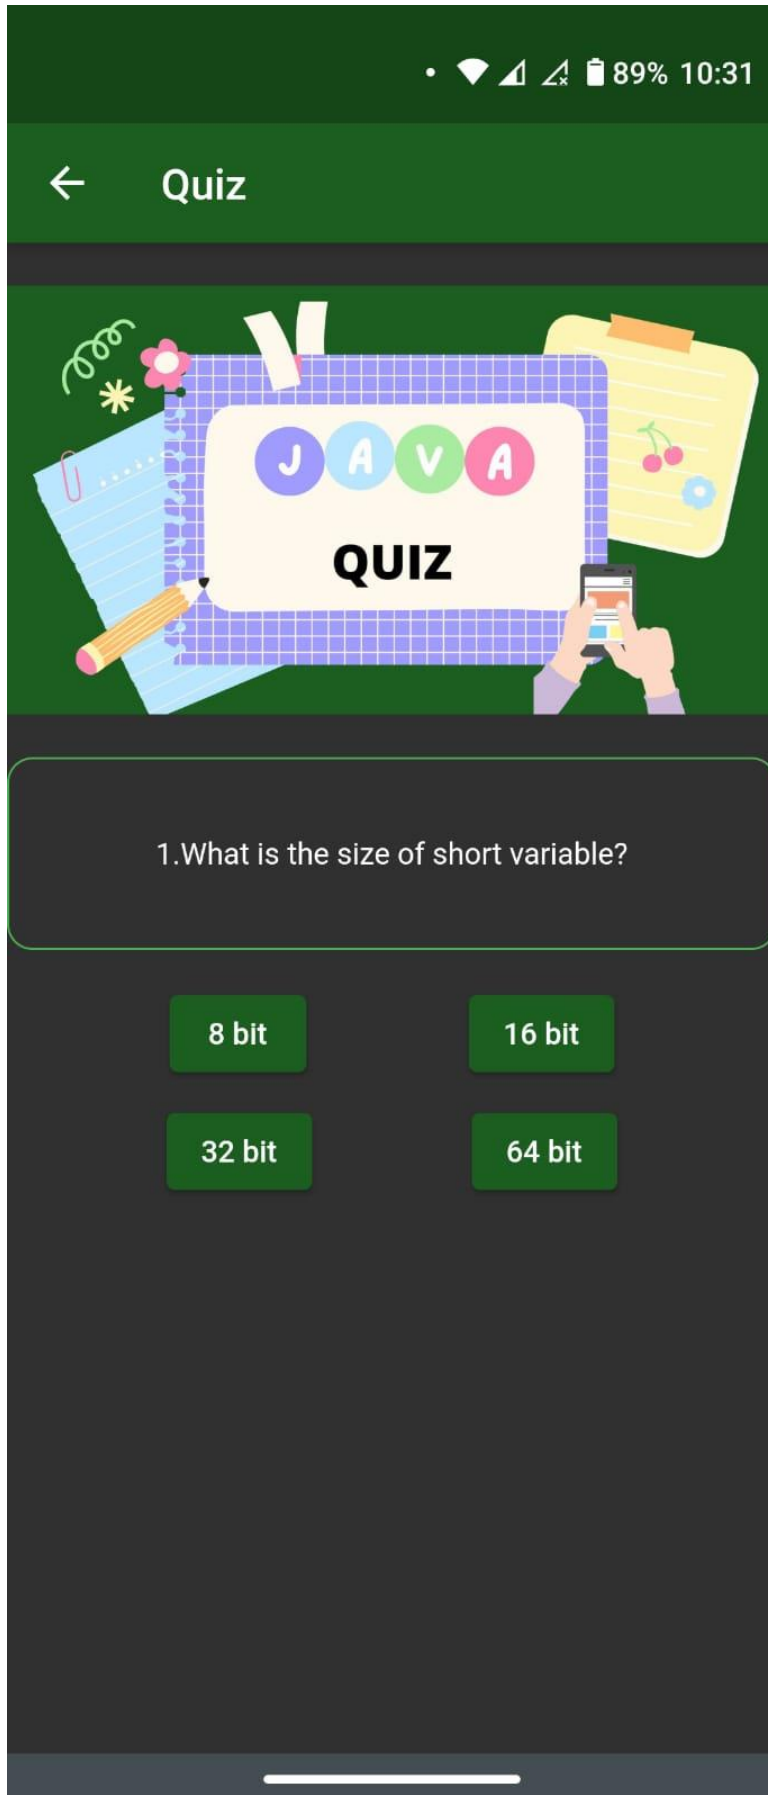

Clicking 'Play Quiz' button:

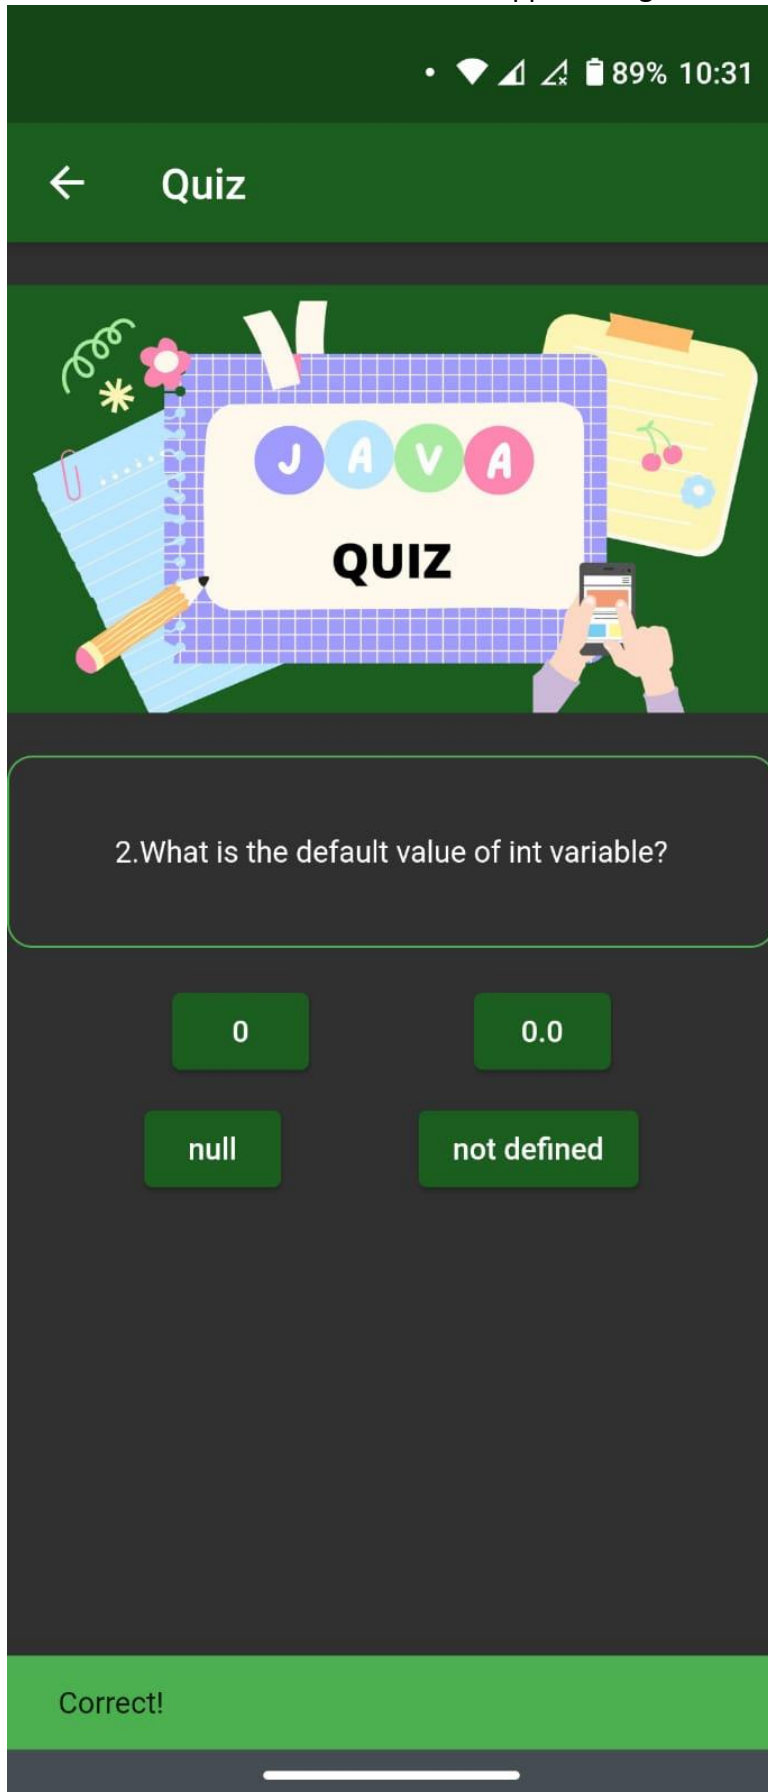

User needs to select a subject to play quiz.

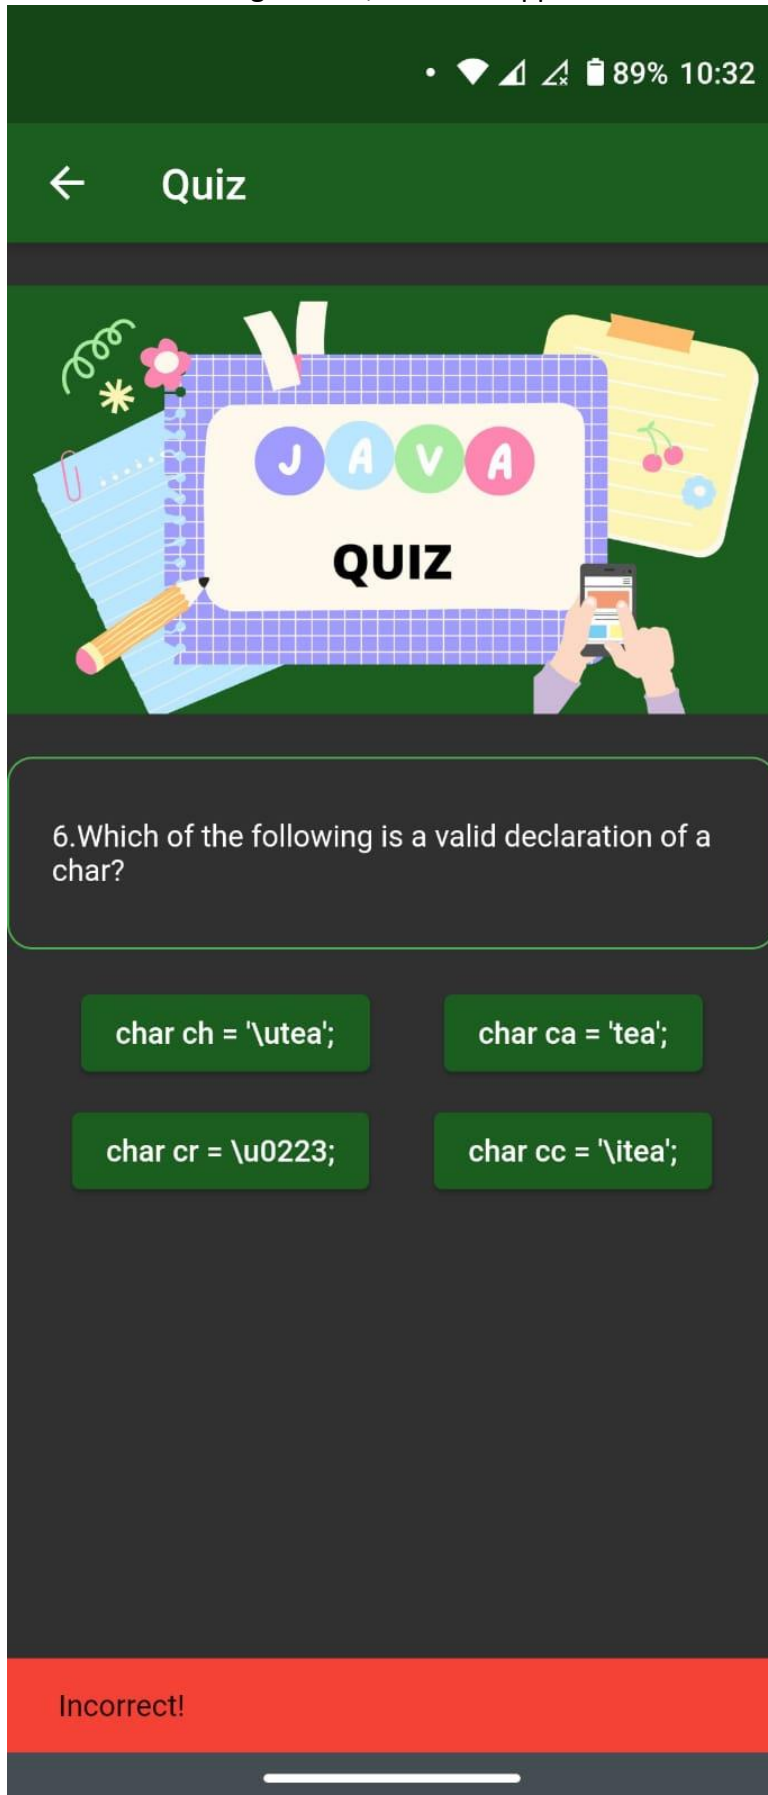

Java Quiz starts.

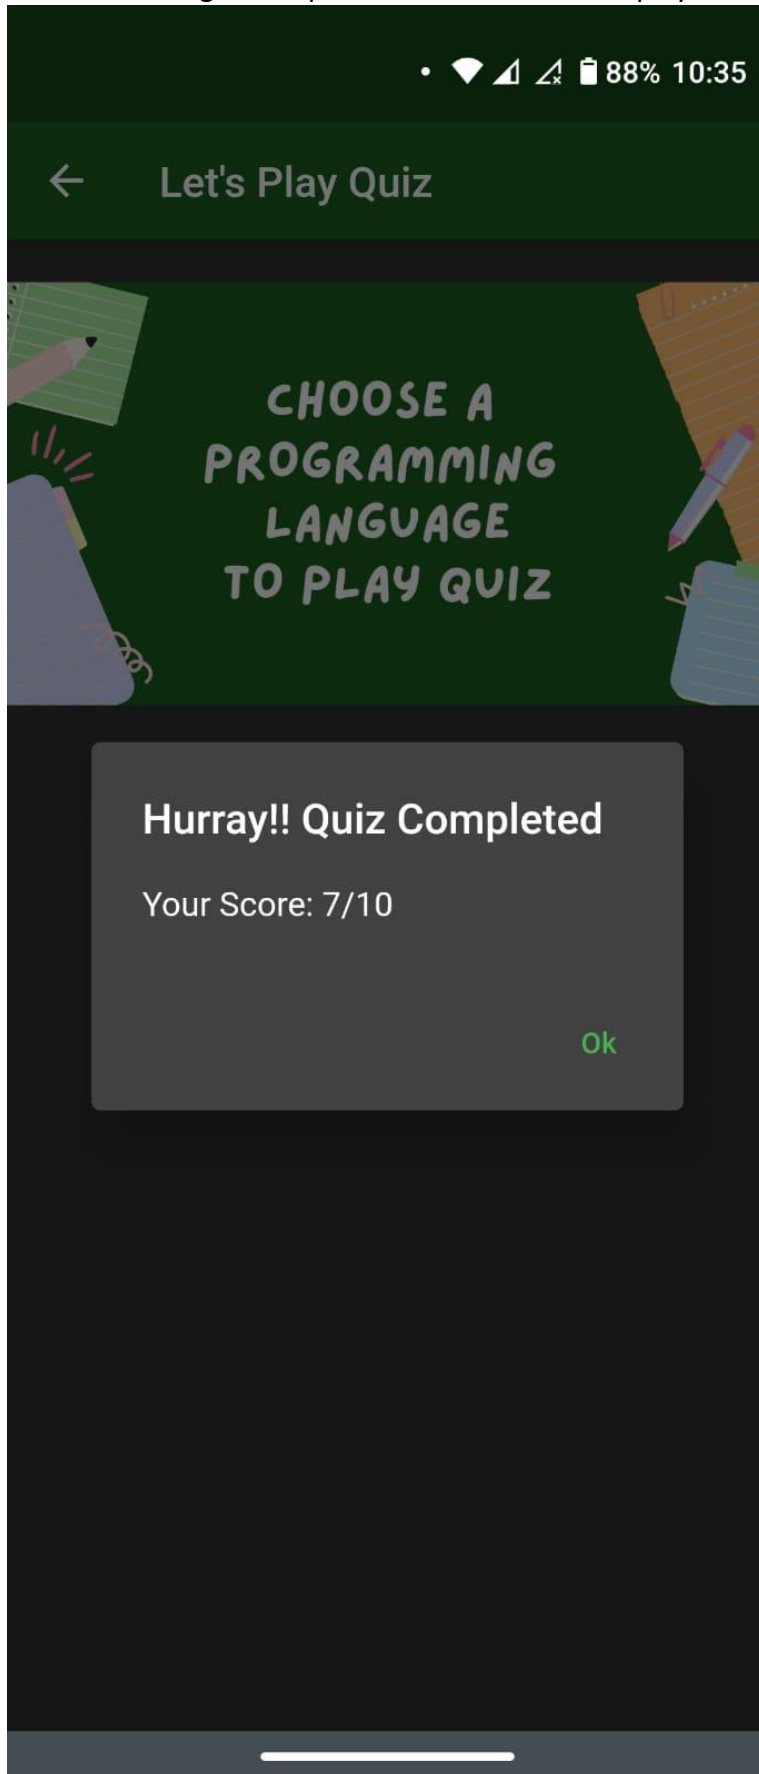

If we select correct answer. Snackbar appears in green colour with text 'Correct!'

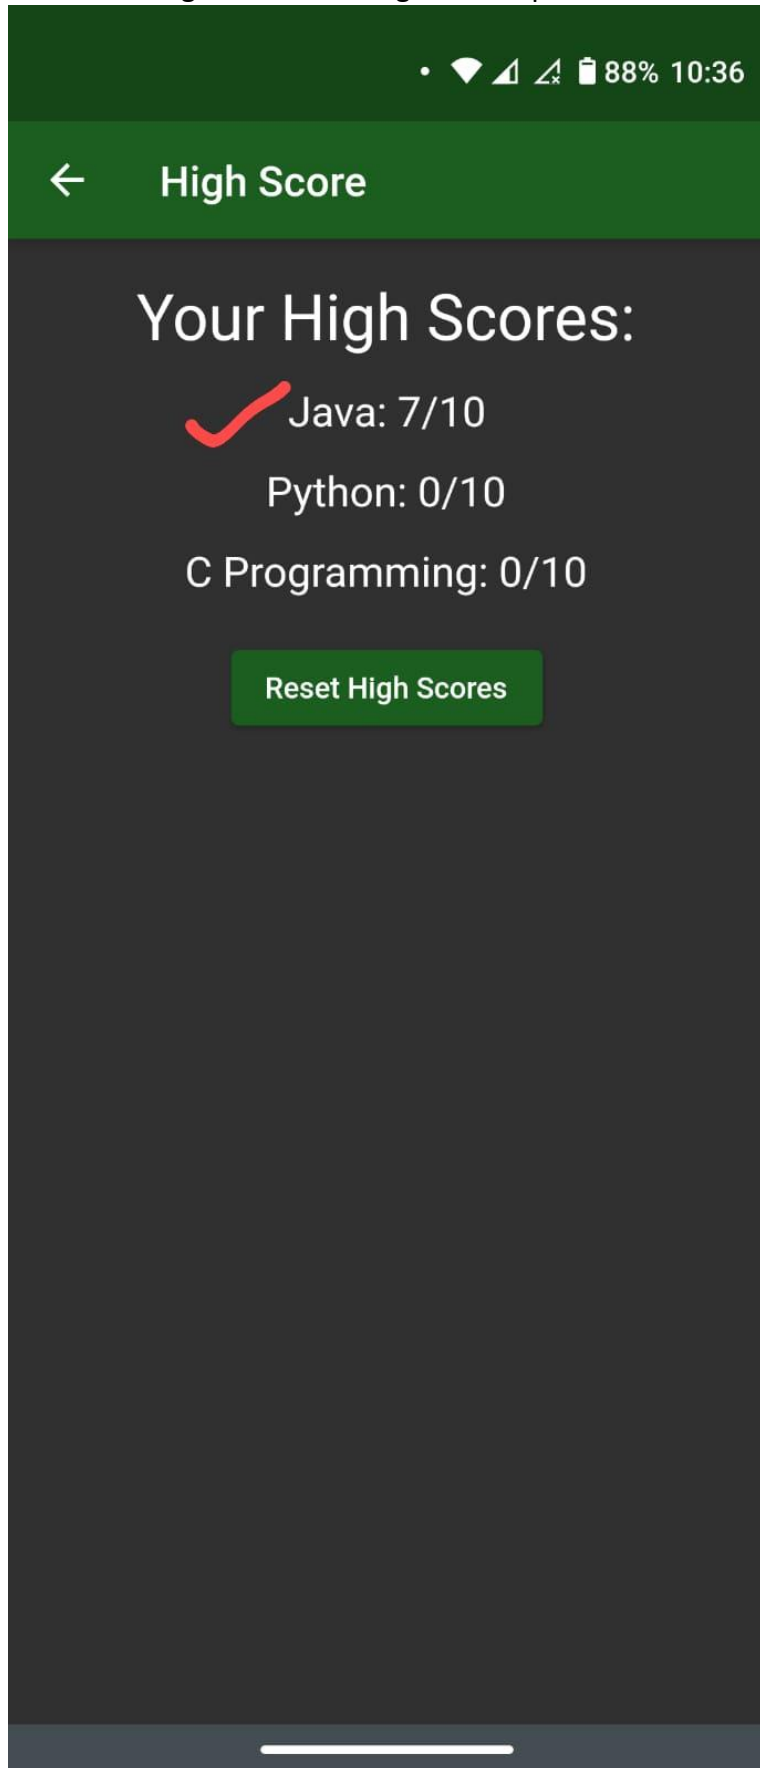

If we click on wrong answer, snackbar appears in red colour with text 'Incorrect!'

After answering all 10 questions. The score is displayed.

Let's check high score now. High Score updated Successfully.

Clicking on 'Python Quiz':

← Quiz

1. Who developed the Python language?

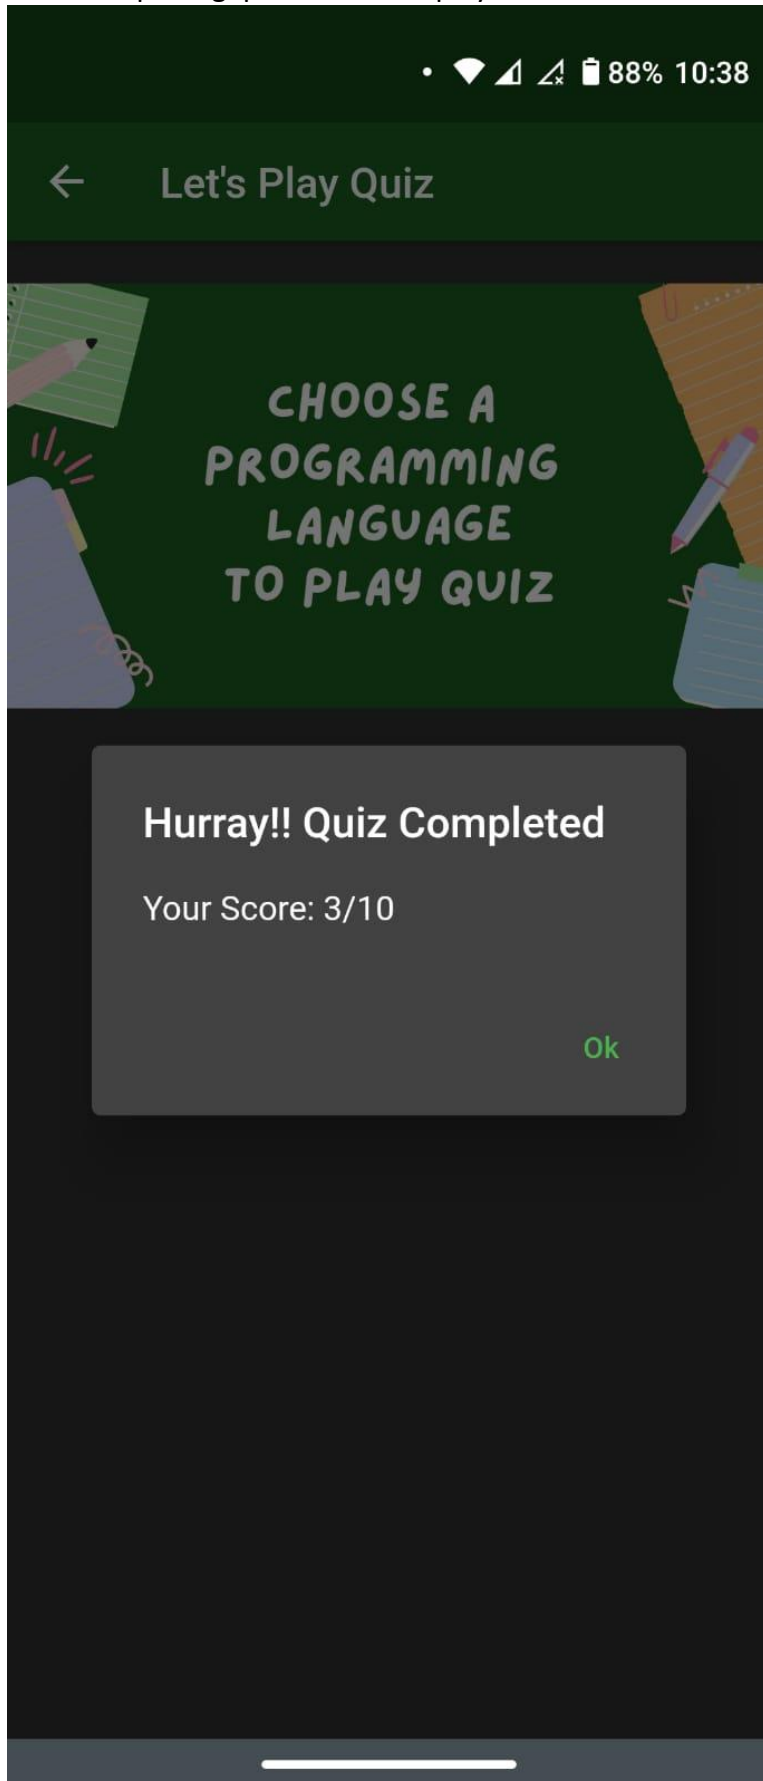

Zim Den

Guido van Rossum

Niene Stom

Wick van Rossum

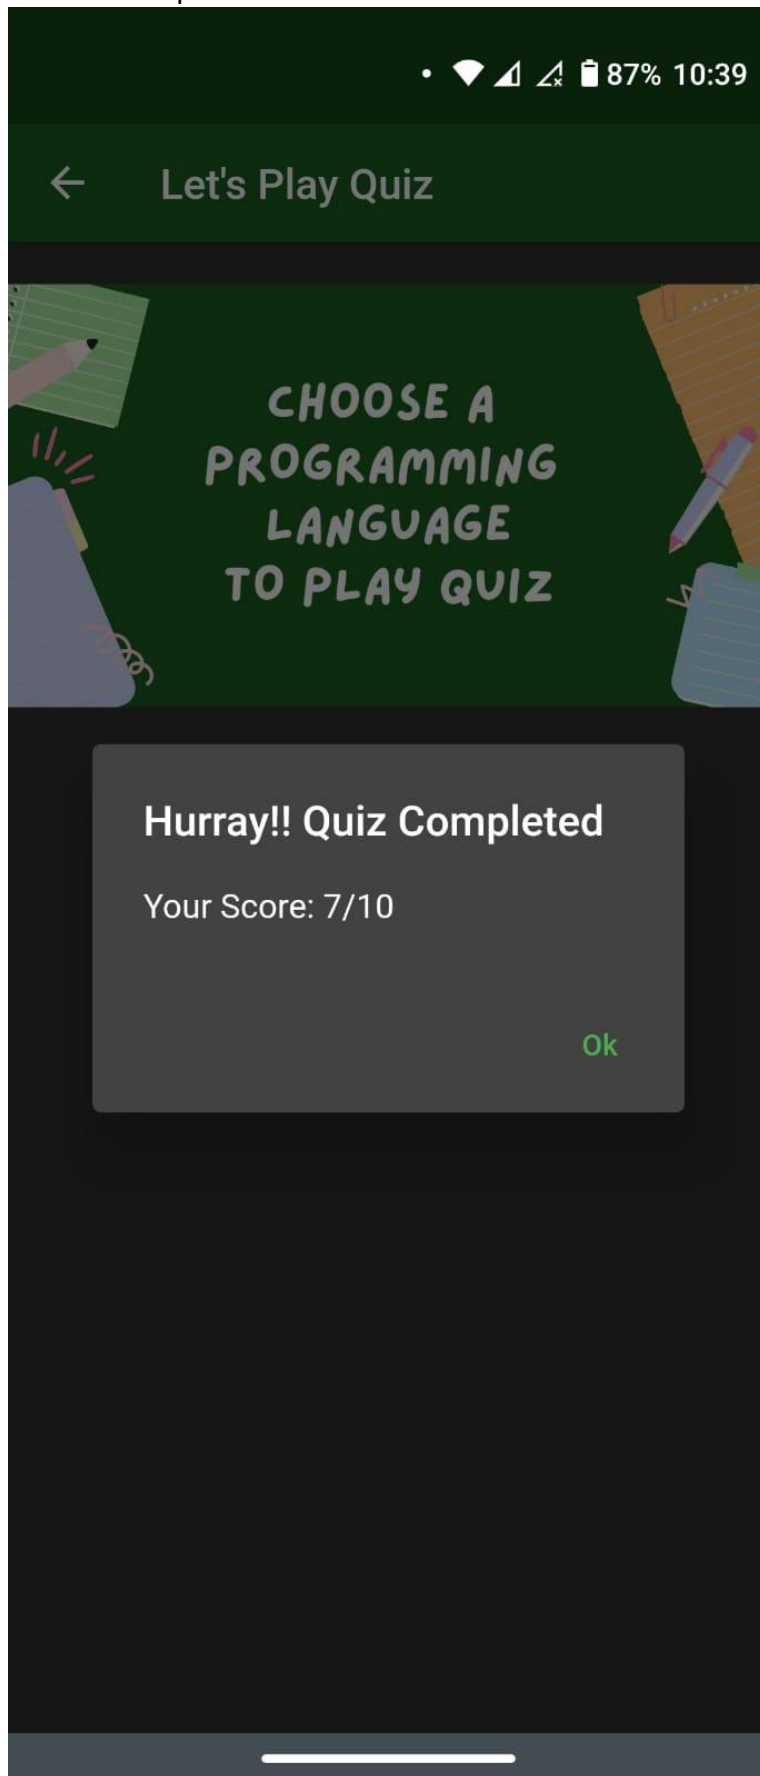

After completing quiz score is displayed.

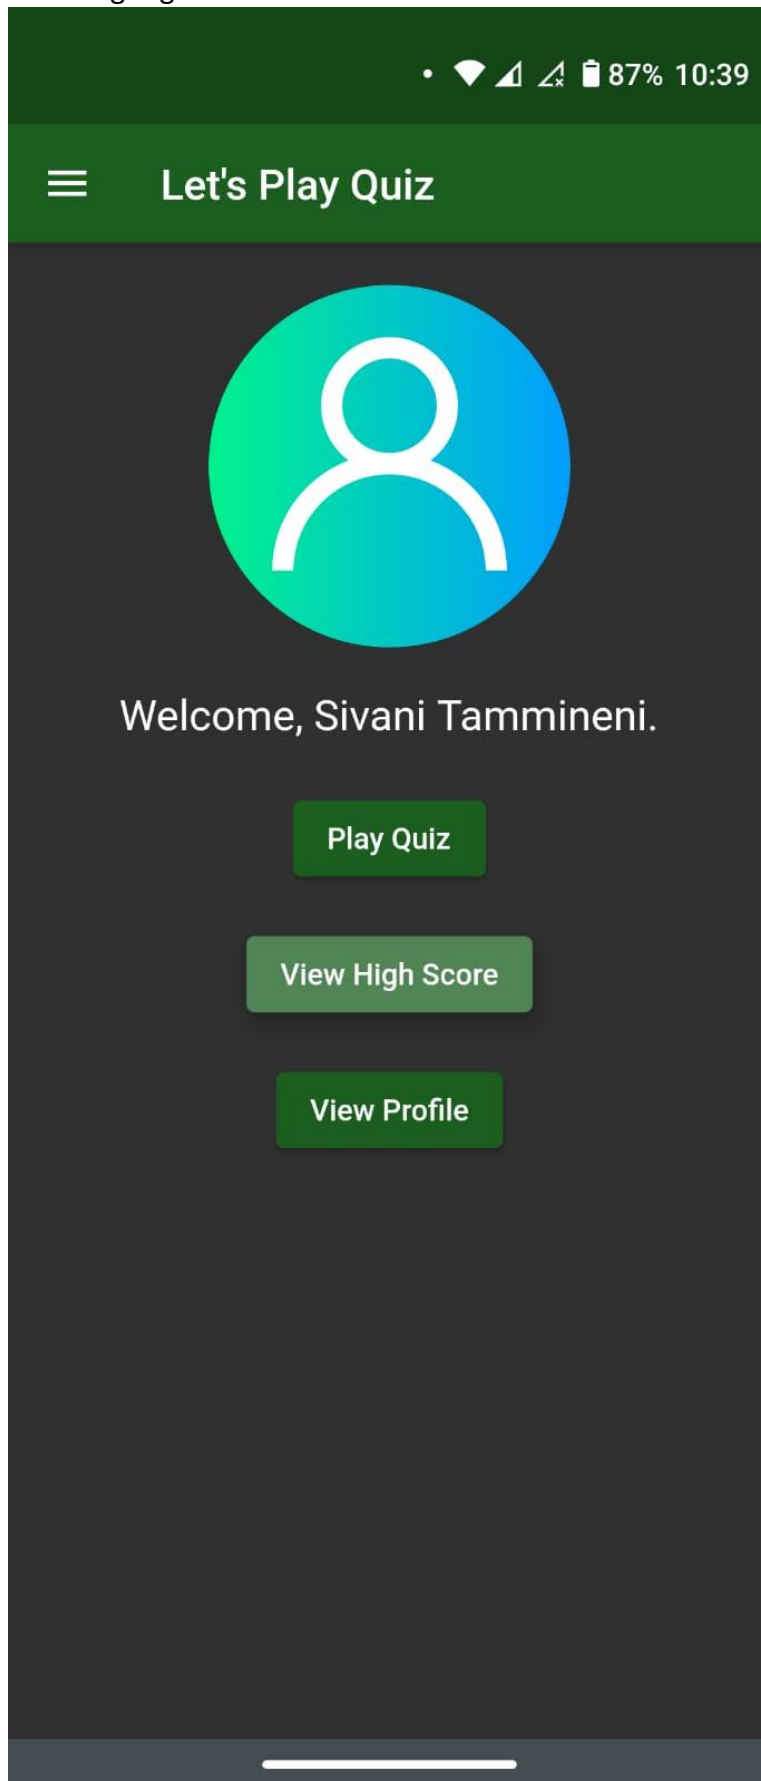

C Programming Quiz:

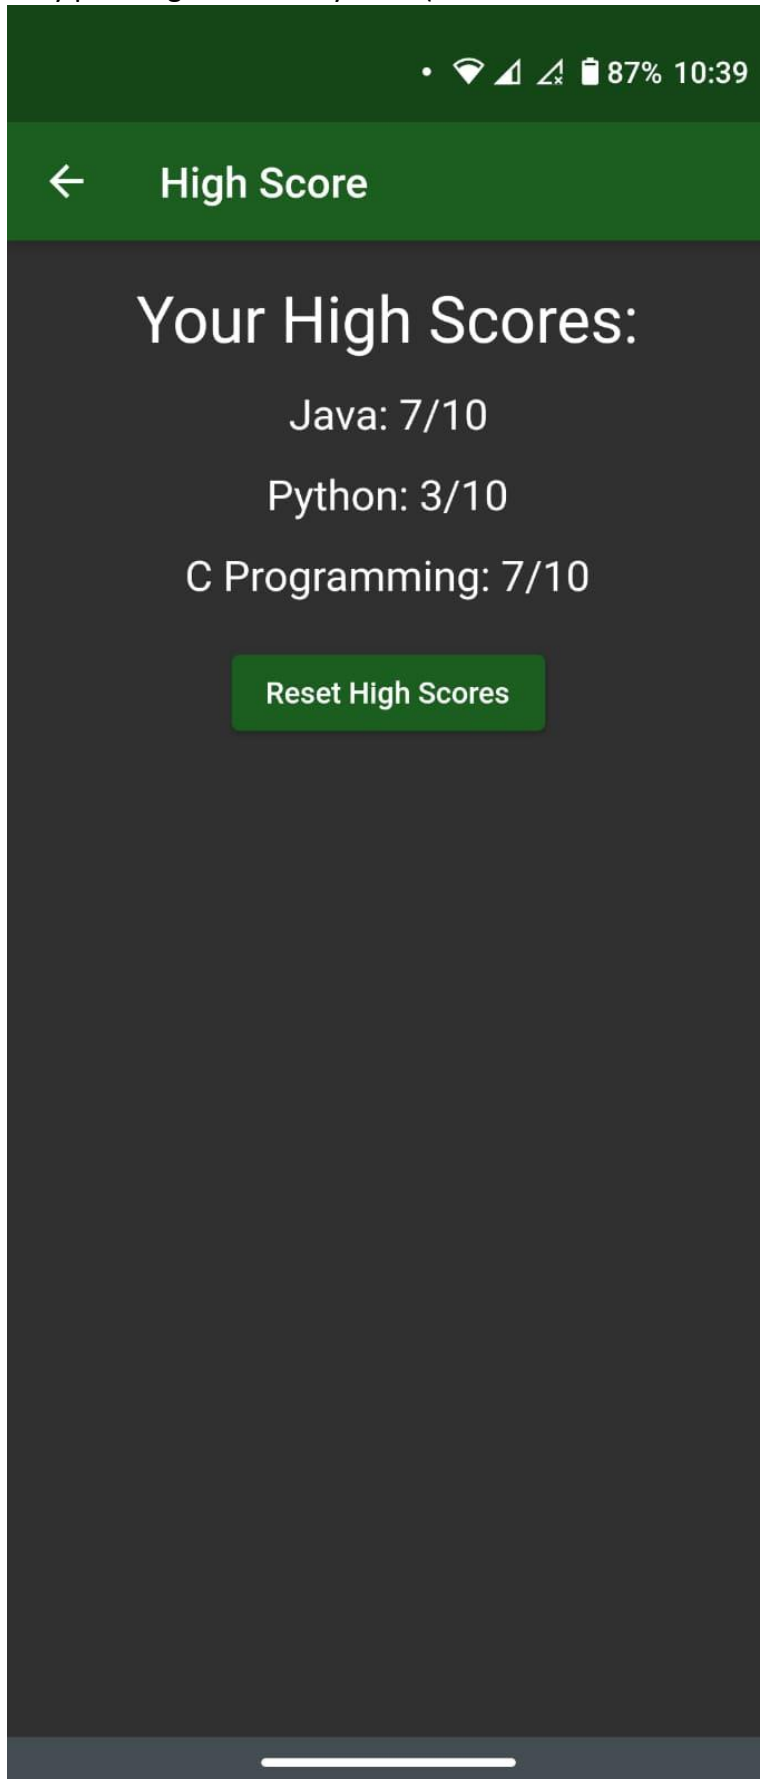

Results of C quiz:

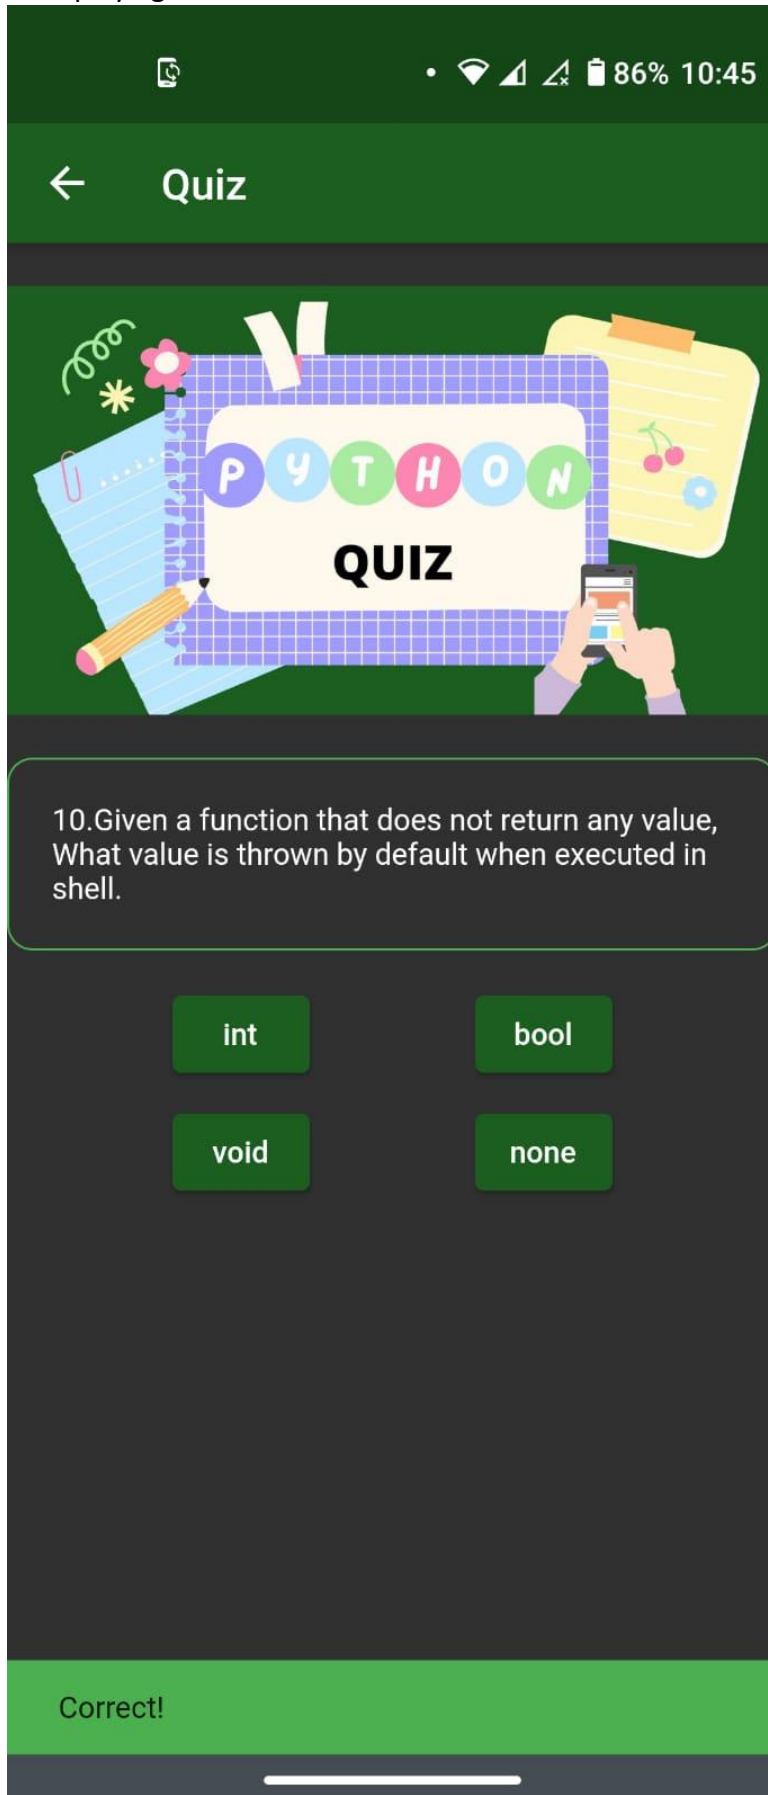

Checking High Score:

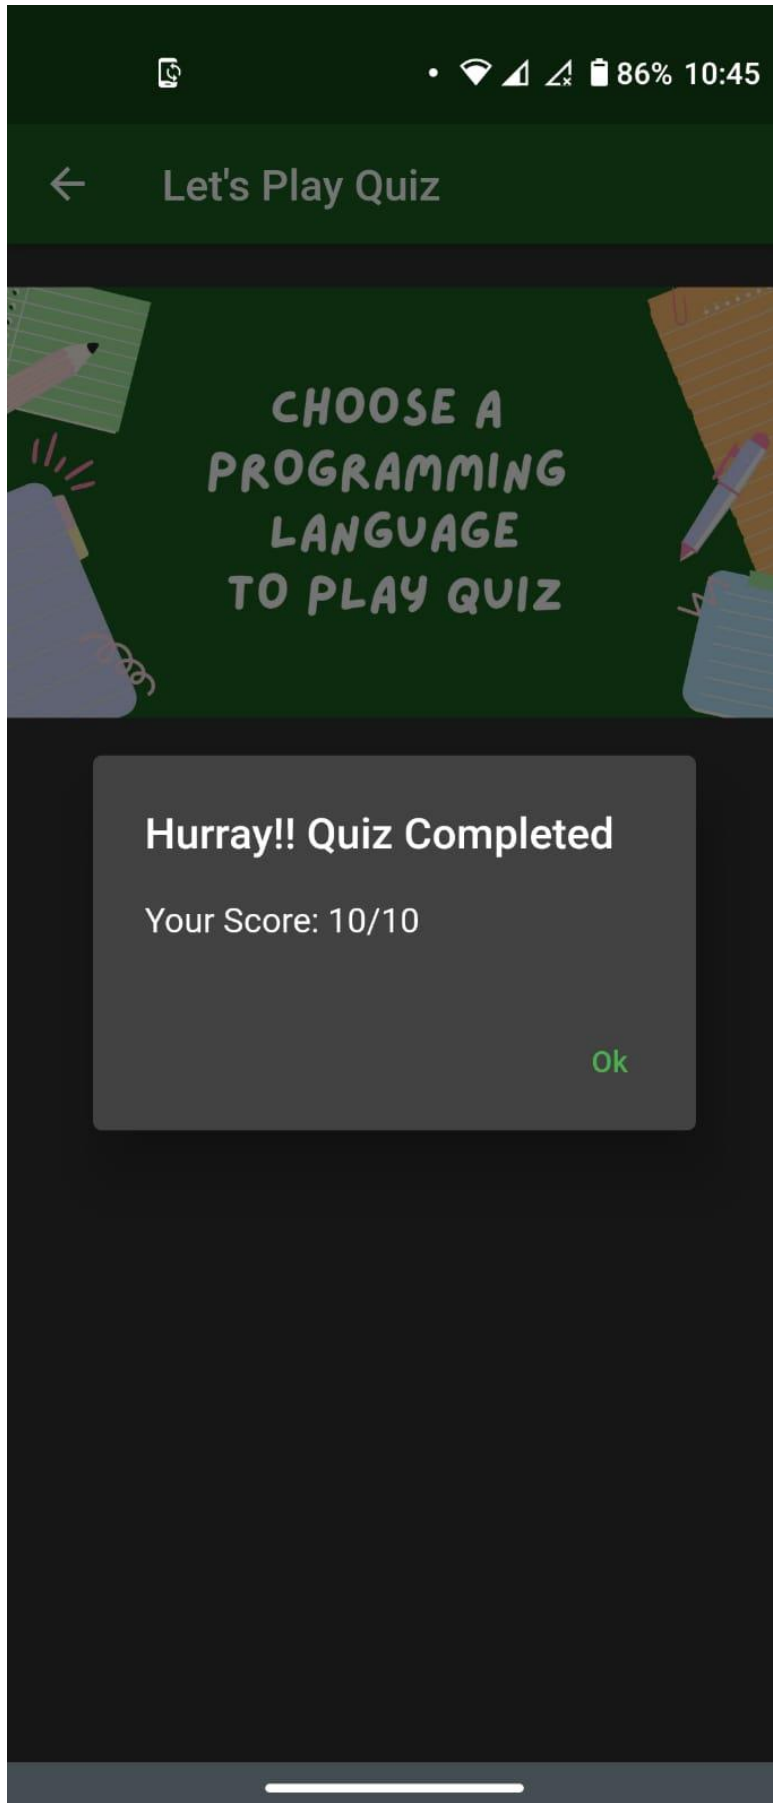

Very poor high score in Python :(

Let's play again:

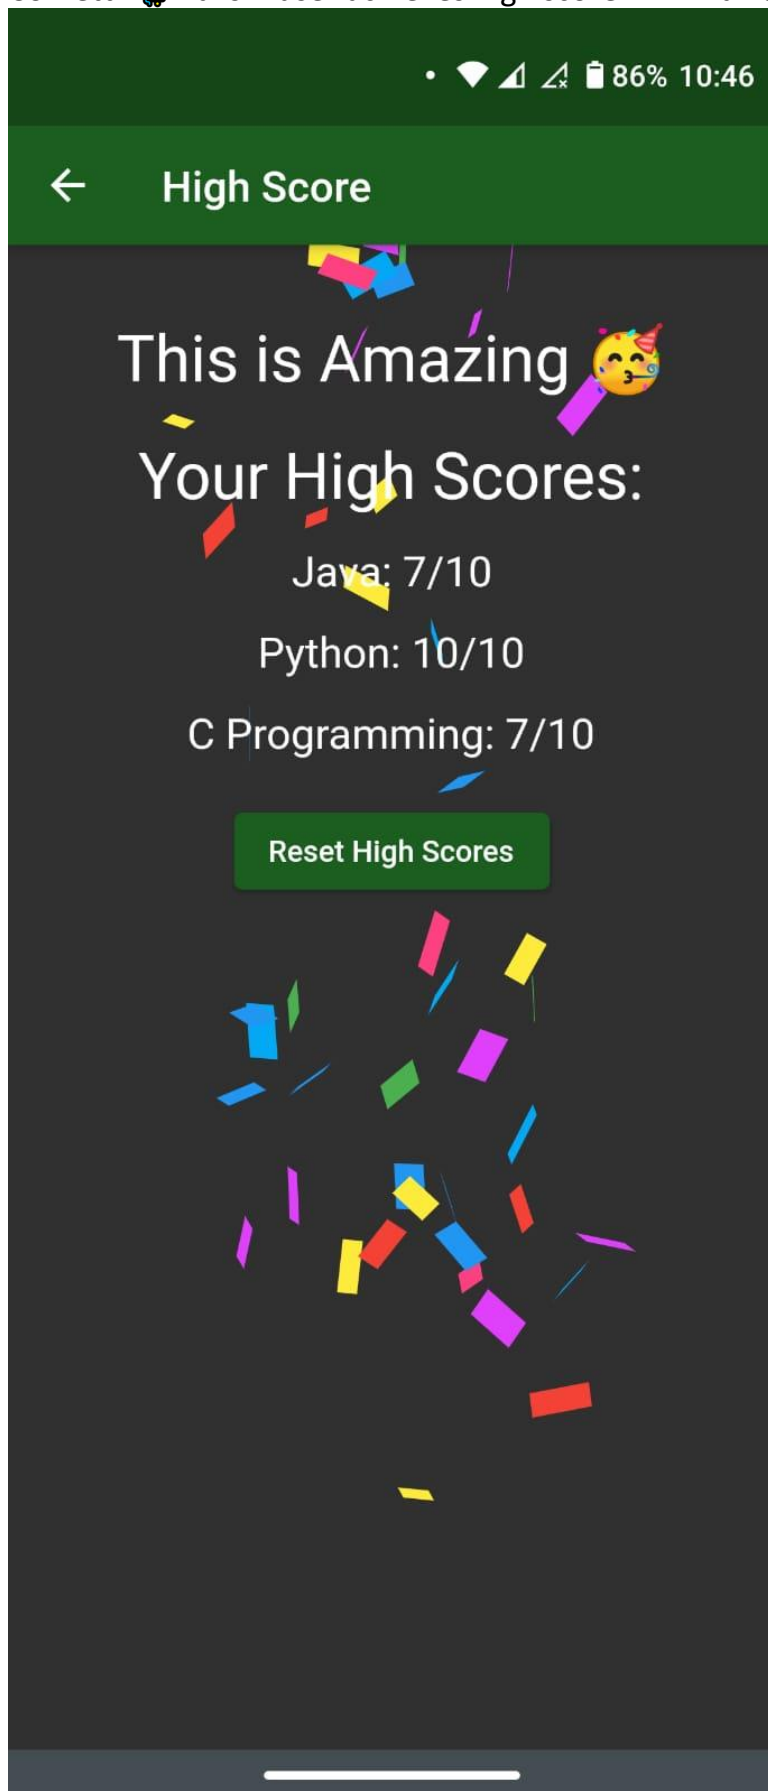

Great!

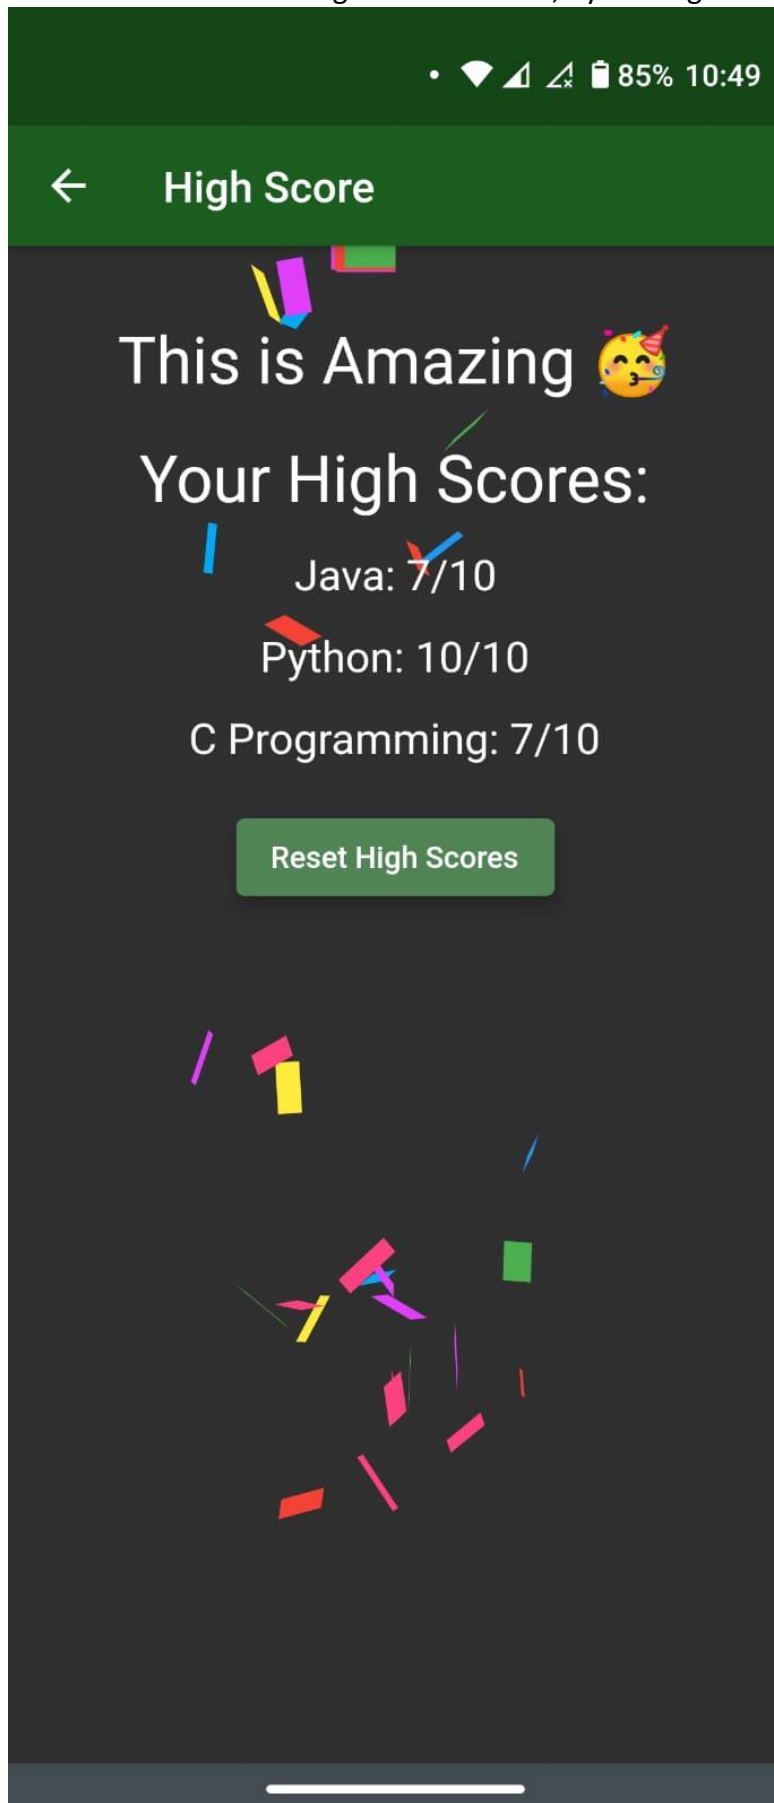

This is amazing 🥳

Confetti 🎉 falls if user achieves high score ≥ 7 in all the three quizzes.

We can even reset our high scores to zero, by clicking 'Reset High Scores' button.

Let's Play Quiz

Welcome, Sivani Tammineni.
